

3. 2014 Microstructure and Properties of Longitudinal Submerged Arc Welded Linepipes for Deep-submarine pipeline[J]. Advanced materials research. EI
4. 2020 Microstructure and Performance Control of High strength and High Toughness Ti-Nb Microalloyed Marine Steel Plate Mechanical Engineering and Automation Technology (MMEAT) EI
5. 2020 Research on the welding performance of X70 longitudinal submerged arc welding ultra-abyssal pipeline steel Mechanical Engineering and Automation Technology (MMEAT) EI
